Asilomar

The Asilomar Conference Center is an extremely picturesque campus on the forested dunes of a National Historic Landmark, on the shoreline of the Monterey Bay National Marine Sanctuary, near Cannery Row and the Aquarium.

The wedding ceremony will take place in the chapel. The reception will follow dinner in the conference center's dining hall, overlooking the Pacific.

There are no rooms available at the Conference Center Sunday, September 5, but we are asking our guests to stay on September 6, following the wedding and reception. We know this will entail many of you taking an additional day off after Labor Day, but we consider this your gift to us. You may also choose to stay Tuesday and Wednesday nights.

Room Rates Include

He majored in Mechanical Engineering at MIT in Boston where he sang with the Boston Symphony. His first job was designing electronics for the 1992 America's Cup sailboat race. He moved to the Bay Area in September 1995, sings in a variety of groups and designs laptops at Apple Computer.

Please Note

San Jose is the closest airport to Monterey if you're flying on Monday. San Francisco and Oakland airports are better choices if you're planning to spend the weekend in the Bay Area. You can rent cars at all three airports. Everyone in the wedding party will be driving from the Oakland/San Francisco area on the day of the wedding and you're welcome at the BBQ on Sunday at our house. Call us if you have any questions or just want advice on places to stay in the area.

We'll let you know where we're registered as soon as we think of any gifts we need. Please no towels, bowls, VCRs or computers, but we'd appreciate any Jeep or Suburban parts :)
